

DIVERSITY & INCLUSION IN PROFESSIONAL PRACTICE

Course Outline

BRIEF COURSE DESCRIPTION

This course examines the crucial roles of diversity and inclusion in various professional sectors. Students will study cultural competence, equity, and social justice through lectures, discussions, case studies, and hands-on activities. The goal is to equip students with the skills to foster inclusive environments and advocate for fair practices.

COURSE PREREQUISITES

None

LEARNING OBJECTIVES

Upon completion of this course the successful student will have reliably demonstrated the ability to:

- Analyze the impact of diversity and inclusion on professional practice by conducting case studies and presenting their findings in written and oral reports.
- Demonstrate their understanding of cultural competence and its application by successfully completing role-playing exercises and written assessments.
- Design and implement strategies that create inclusive environments in professional practice settings, ensuring all individuals feel valued and supported.
- Examine the importance of advocating for policies and practices that promote social justice.
